

#paintthetowpinkwf2017

At West Feliciana Hospital we recognize the importance of education and prevention of breast cancer. Paint the Town Pink is a fantastic way for our whole community to come together for Breast Cancer support and education each year.

West Feliciana Hospital is asking the community to Paint the Town Pink for either a day, a week or the entire month of October to promote breast cancer awareness and raise funds. All proceeds will be go to Cancer Services of Baton Rouge. They are a non-profit organization that serves the emotional, financial and physical needs of those affected by cancer. All services are free of charge and they serve a 10 parish area that includes West and East Feliciana as well as Pointe Coupee.

There are many ways you can participate:

- Businesses and individuals are asked to decorate and enter our competition to be judged on Friday October 13th. (Please see the attached entry form).
- Our local schools, sports teams or clubs are encouraged to wear pink on October 13th and collect \$1 to go towards our fund raising efforts.
- West Feliciana Hospital will hold some special Paint the Town Pink events including a "Pink" bake sale, a painting party. Stay tuned for these dates and more information.

*** Don't forget to send us your pics ***
